To Whom It May Concern,

It is my pleasure to write this letter of professional recommendation on behalf of Angelina Ding in her pursuit of employment. I supervised Angelina in the role of Graphic Design Intern as part of our creative department from May 2019 – December 2019 at Lash Vision Media. She was an excellent employee who was a fantastic addition to our team.

Angelina worked with us on a project basis for multiple fortune 500 client accounts, executing design and asset creation in addition to internal marketing collateral. These projects encompassed photo/video editing and formatting for social media and ads, as well as signage, invites, handouts, and advertising material for events. She worked on a vast array of client accounts, including HP, Dolce & Gabbana, and Swarovski to name a few. Angelina was consistently eager to work and take on new responsibilities and had excellent attention to detail in her work. She brought many well thought out design concepts to the table for clients and adapted astoundingly to feedback when given.

I am glad to have had the opportunity to have her as part of our team, and I strongly recommend her to any employer.

Regards
